Re: U.S. Patent Application Serial No. 10/694,508 filed October 27, 2003, entitled  
"Manual Brake for a Wheelchair With a Variable Braking Force"

Dear Sir:

Enclosed please find the following documents regarding the above-referenced Patent Application:

1. Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b);
2. Declaration of John C. Cave;
3. Copy of Response to Office Action of April 6, 2006, with Certificate of Mailing, along with "Replacement Sheet" drawings (3 pages);
4. Copy of Request for Continued Examination (RCE); and
5. This firm's check in the amount of \$750 for the Petition Fee.

On October 2, 2006, Applicant filed the Response to Office Action of April 6, 2006, with the Certificate of Mailing, along with three (3) "Replacement Sheet" drawings. However, at that time Applicant unintentionally failed to file the required Request for Continued Examination (RCE). We are now filing simultaneously herewith the required RCE, a copy of which is enclosed.

Please stamp the enclosed acknowledgment card with the date of receipt and return to my office.

Sincerely,

John C. Cave
